Dear Doc
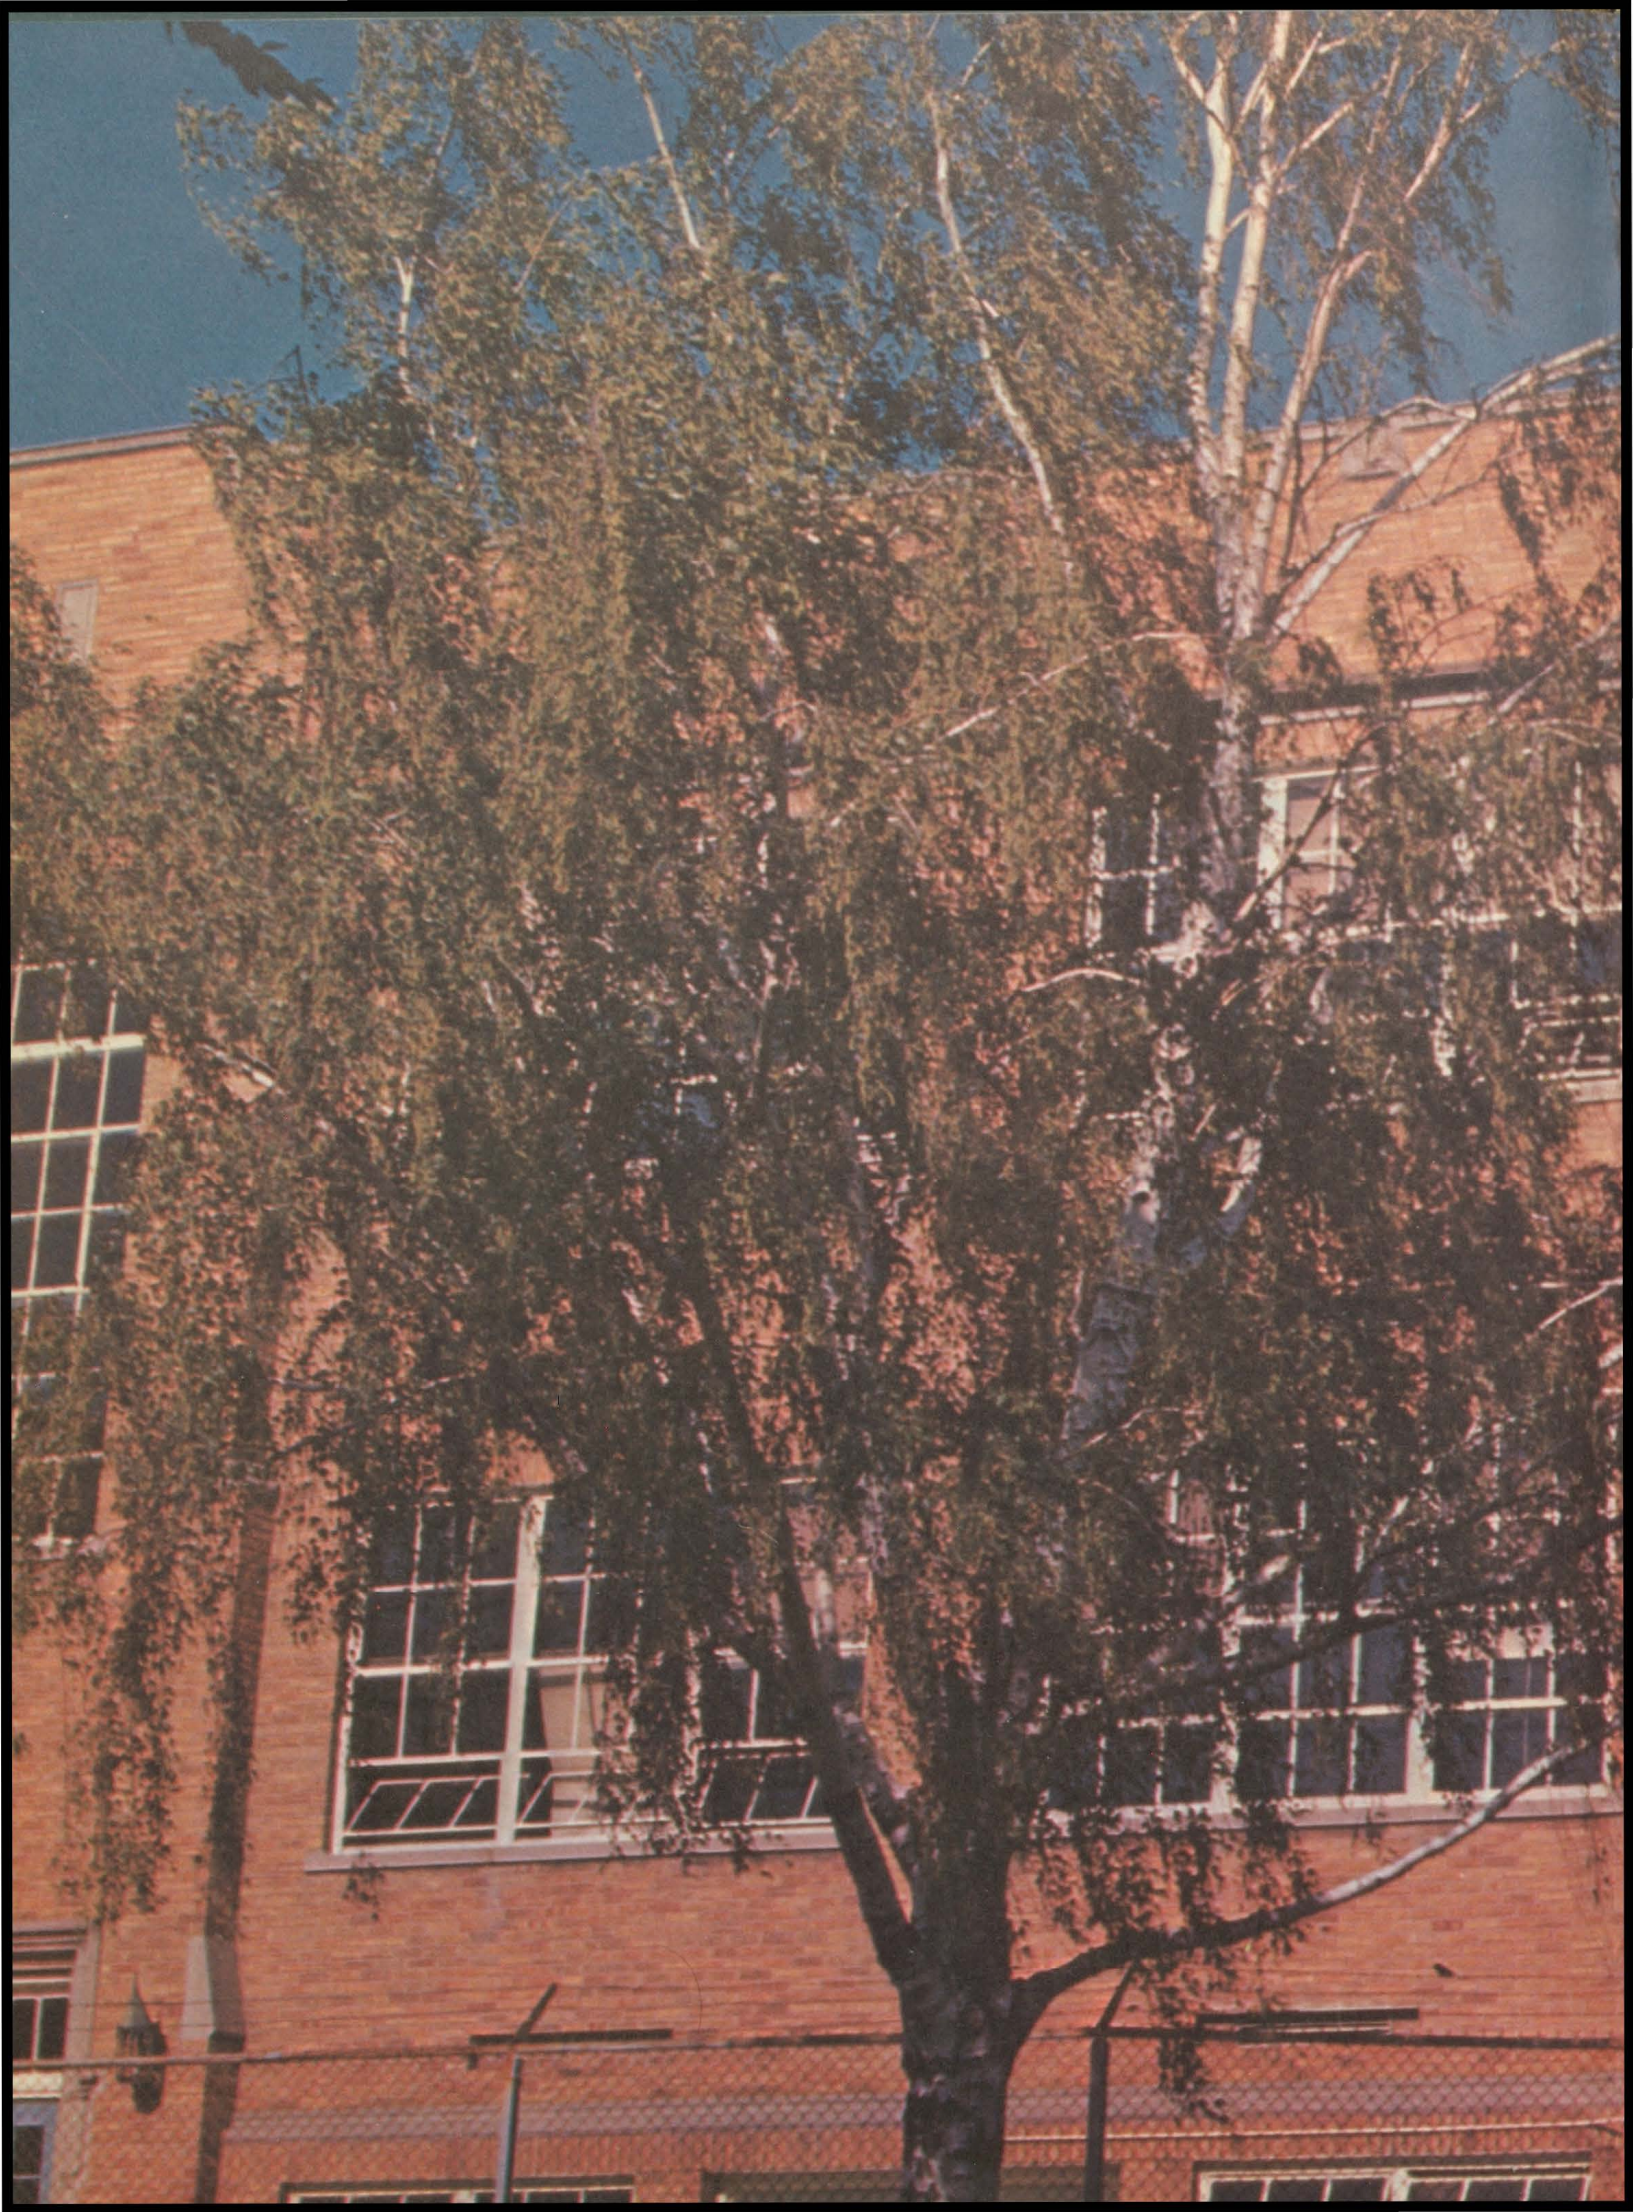
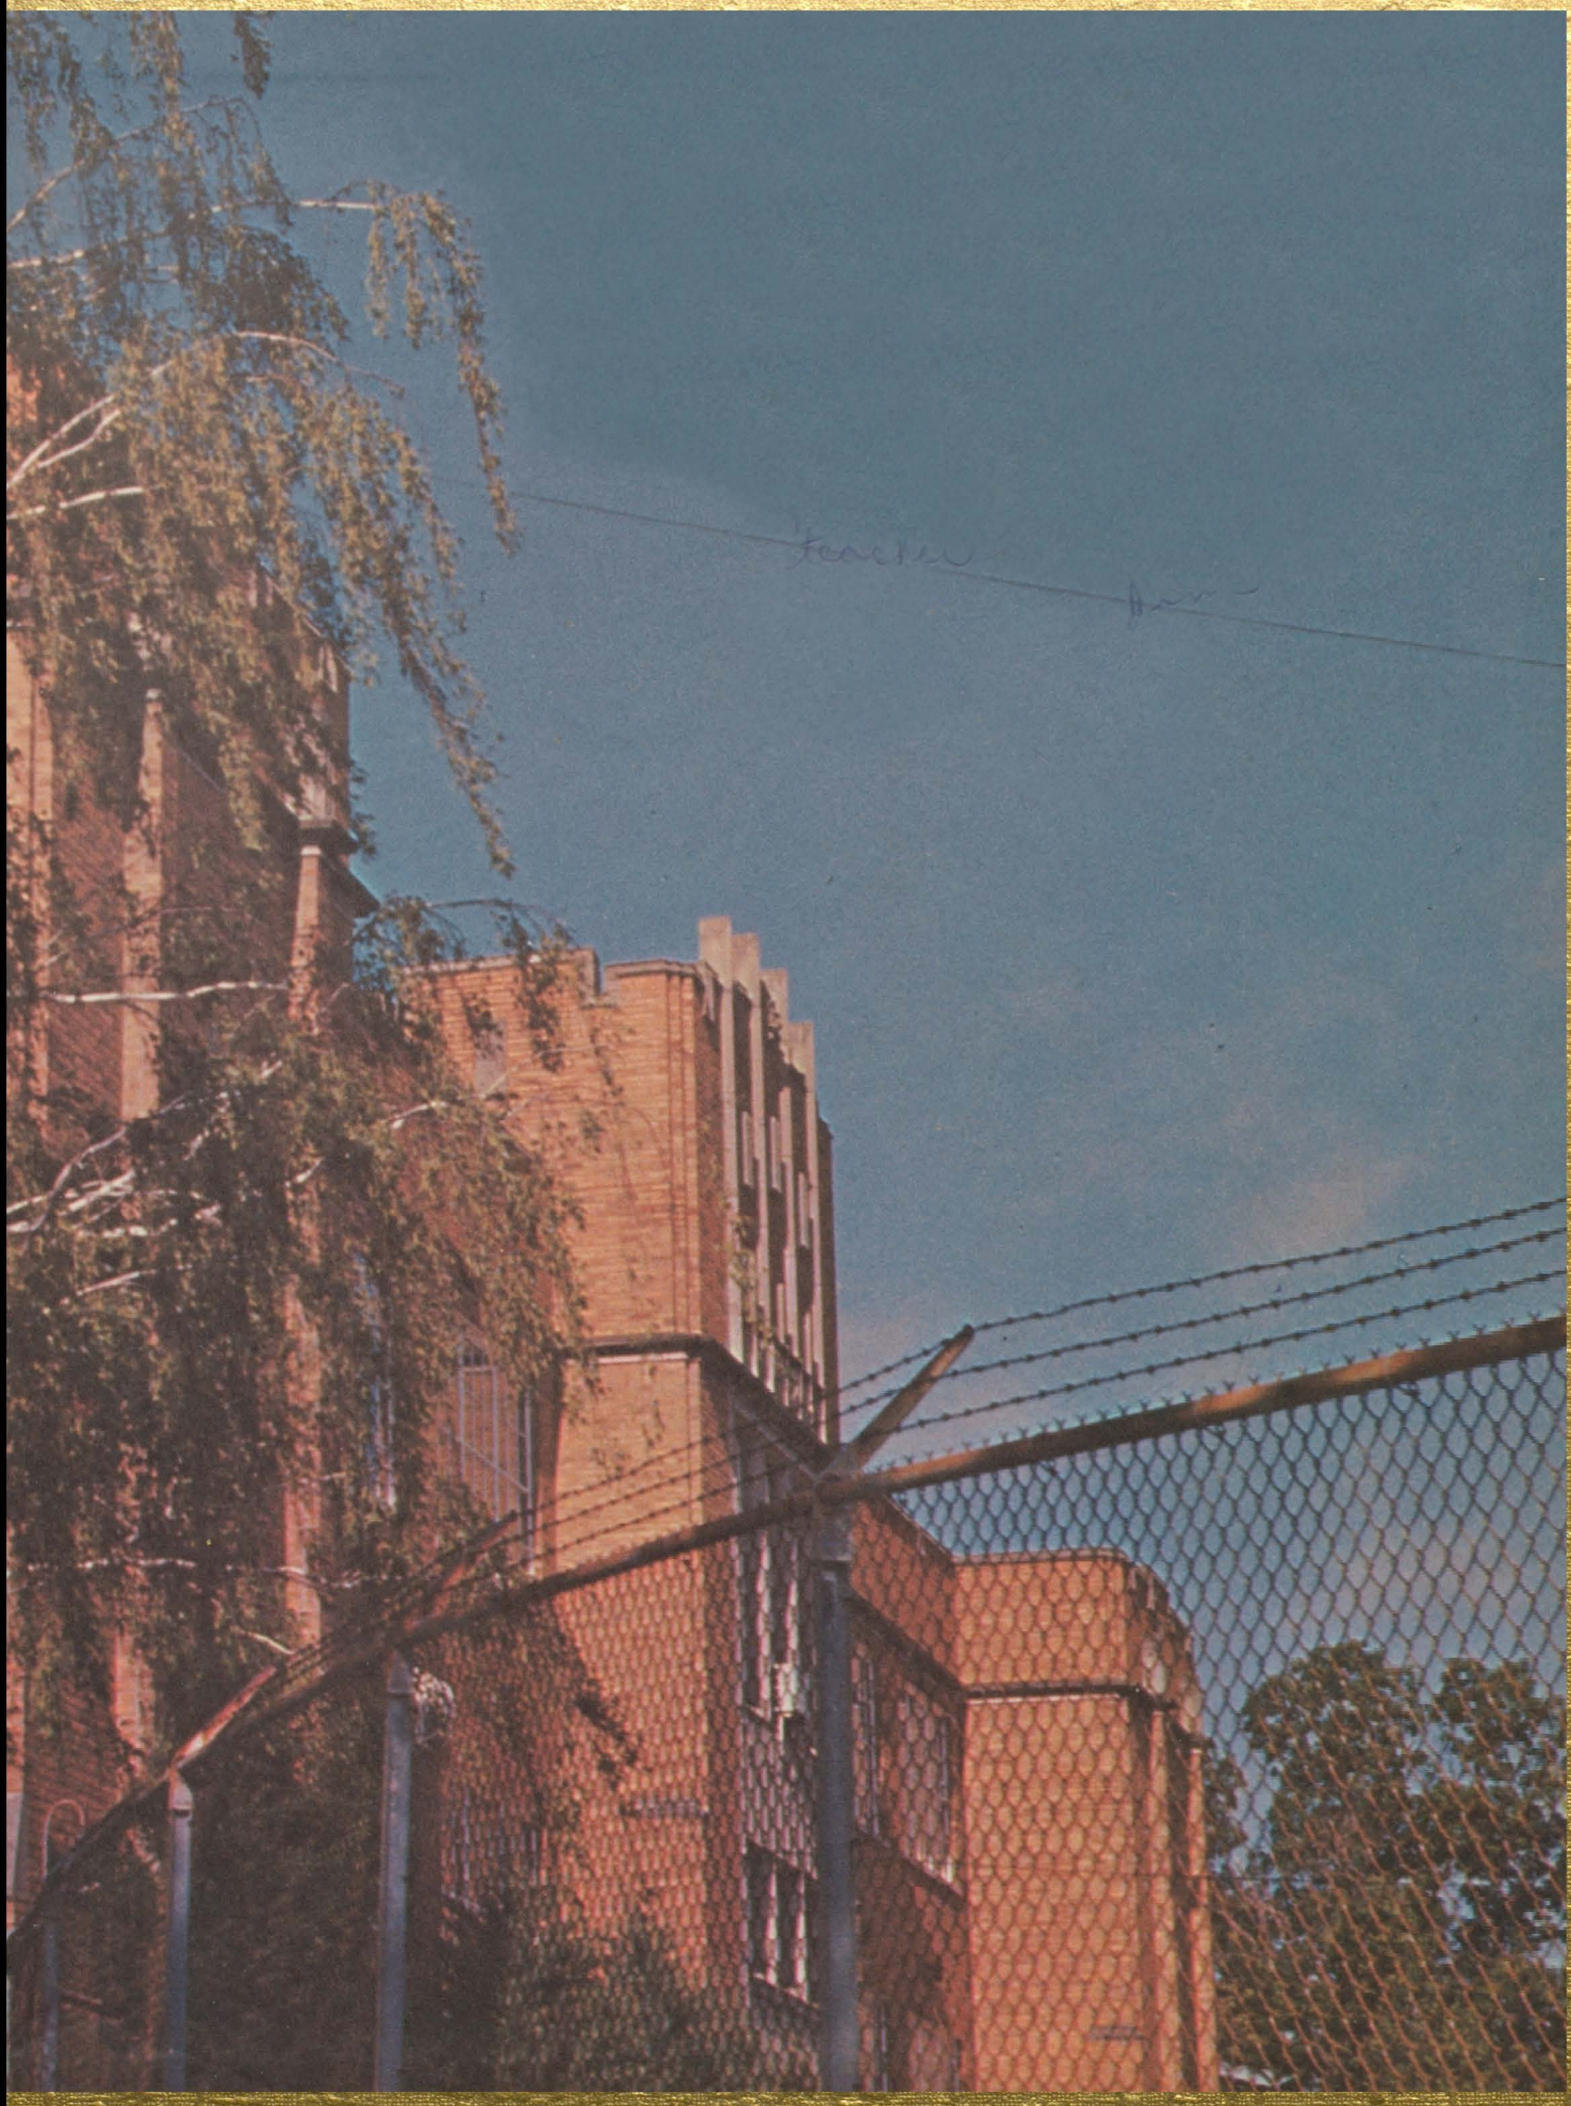
It sure has been nice having you for classes there last four years.
Bill

Dear Doc, I hope you haven't had any more headaches since this year and hoping you know for a friend Carol

Dear Doc,
We'll all miss you next year. Hope you have a great time in your retirement. We had quite a bit of fun in Concessions. If you ever need a girl Friday you'll know who to call. I imagine all your future tall tales will have myself and Janet B. as the main characters. Oh well, I really had fun being a mad (after) Chemist this year. Lots of luck to you
Janet (Have any extra gray hair?) Love,

Dear Mr. Thomas,
It was great having you as your class this year. I can't say I always thought you were funny but I did try sometimes. I hope you enjoy your retirement
Johnny's
(after) Chemist




Dear Doc,
I'm sorry I'll be missing your class this year. I've been sick with a cold and a headache for the last week. I'm sure I'll be feeling better by next year. Have a great retirement.
Sincerely,
Jeff
